

U.S.S.N. 10,798,959

Remarks

Thorough examination by the Examiner is noted and appreciated.

Examiner has indicated allowable subject matter in claims 27, 28, 45, and 46. Examiner has allowed claims 34, 36-42, and 48-58.

The claims have been amended to achieve indicated allowable subject matter; the limitations from claim 27 have been included in independent claim 25. Claim 41, previously erroneously not listed as amended has been amended to correct a claim dependency error.

Support for the amended claims is found in the original claims.

No new matter has been added.

Conclusion

U.S.S.N. 10,798,959

Applicants gratefully acknowledge Examiners careful examination and indication of allowable subject matter.

Applicants have amended their claims to achieve indicated allowable subject matter and respectfully submit that the Claims are now in condition for allowance. Such favorable action by the Examiner at an early date is respectfully solicited.

In the event that the present invention as claimed is not in a condition for allowance for any other reasons, the Examiner is respectfully invited to call the Applicants' representative at his Bloomfield Hills, Michigan office at (248) 540-4040 such that necessary action may be taken to place the application in a condition for allowance.

Respectfully submitted,
